Welcome Message

Dear Colleagues and Friends,

Warm greetings from the MANCHESTER OF SOUTH INDIA COIMBATORE!

On behalf of the Organizing Committee, it gives us immense pleasure to invite you to attend the 74th Annual Conference of the Indian Association of Pathologists and Microbiologists (APCON 2026). This prestigious event is being hosted by the Department of Pathology, PSG Institute of Medical Sciences & Research, Coimbatore, TamilNadu.

APCON 2026 will be held from December 2nd to 6th, 2026 in the campus of this prestigious institution.

PSGIMS & R welcomes you to an academic feast – a confluence of ideas, information and inspiration under the theme “Where Diagnostics Evolve and Personalised Care Begins”. This theme reflects how advancements across histopathology, molecular diagnostics, digital pathology and genomics are transforming the diagnosis of diseases and improving clinical outcomes. Prominent national and international experts will guide us through an engaging academic program featuring orations, panel discussions, workshops, CMEs, meet the expert sessions and debates.

In addition to the exciting scientific agenda, we are eager to partner with leading industry exhibitors to showcase their state-of-the-art technologies and create interactive engagement opportunities for participants. Very soon we will be launching a dedicated APCON 2026 website and a mobile app for Android and iOS users which will provide seamless access to event updates and resources. Beyond the academic offerings, we invite you to experience Coimbatore – the city that has an interesting amalgamation of industry and natural beauty and is known for its unique KonguNadu cuisine and its pleasant cool climate.

We look forward to welcoming you to this event and hope you will join us in making it a resounding success.

KEY POINTS TO PARTNER WITH APCON -2026

1. With an expected 1500 delegates attending APCON 2026 the event ensures high visibility for companies and exhibitors.
2. APCON 2026 will provide an ideal seller platform to launch new products and equipments to a captive business audience.
3. High value products and services can be showcased to the visiting clientele who have the necessary expertise and vision for bringing the latest technology to diagnostics and patient care.
4. Our industrial colleagues will get multiple opportunities to interact with distinguished experts not only during the academic events but also during the grand social events. The conference offers a direct access to tomorrow's leaders and decision makers from primary to tertiary care.
